This report is issued under the *Technical Standards and Safety Authority Act, 2000, s. 17 (1)*

17. (1) An inspector may conduct an inspection and may, as part of that inspection, enter and inspect at any reasonable time the lands and premises where any of the things, parts of things or classes of things to which this Act, the regulations or a Minister's order apply are used, operated, installed, made, manufactured, repaired, renovated or offered for sale for the purpose of,

- (a) ensuring compliance with this Act, the regulations or a Minister's order;
- (b) ensuring that an authorization holder remains entitled to the authorization; or
- (c) determining whether a hazardous condition exists. 2006, c. 34, s. 25 (5).

As a not-for-profit regulatory authority, TSSA operates on a cost recovery basis.
